

Purbeck Arts Club Summer Sketching Programme runs for 10 weeks throughout the summer months. We organise visits to many beautiful places and the 10 week sessions allow members the opportunity to sketch en plein air and gather reference material to paint in the future. The sessions are not taught however you will be provided with a few exercises that can be undertaken when out and about.

To participate in these sessions, you must be a member of the Purbeck Arts Club to be covered by insurance. The programme is accessible to full members of the club or alternatively, there is a Summer Membership at a cost of £15 to include the 10 sessions. There are additional fees at some of the venues as listed below.

Summer Programme 2026

All Sessions 10-00 -12-00 Noon

Date	Venues	Notes
May 26th	Tyneham	Car Parking £4 donation suggested. Ideally we would look at car sharing. There is a Salt Pig trailer selling coffee etc open most days. Toilets
