You've Got A Friend In Me & Count On Me

Combined Primary School Choirs

Sing by Gary Barlow

PROGRAMME NOTES

The Swanage Big Band started in 2018 and is a community band made up of a mix of adults and students. We began with a generous grant from the Swanage Jazz Club (who previously organised the Jazz Festival) and play in and around Swanage. The music we play ranges from traditional big band repertoire to more modern styles. We meet once a month and are always on the lookout for new players: particularly trumpet and piano. Please contact swanagebigband@gmail.com.

Amelia Seaman has just finished her A-levels at the Thomas Hardy School, including taking an Extended Project Qualification focused on the influence of the Reformation on 16th century English church music. She has undertaken a wide variety of musical activities ranging from leading the second violin section of the Wessex Youth Orchestra to playing in the National Children's Orchestra and many chamber music ensembles. She achieved grade 8 distinction in both her violin and piano studies. Next year she hopes to read theology and religion at university whilst continuing to make as much music as she can.

Amy Jerman is 16 and next year she will be studying Music A-level at Lytchett Minster school. She is a multi-instrumentalist and her principal instruments are saxophone, clarinet, trumpet, cello, piano, guitar and bass. Amy is a member of her school's bands, Swanage Town Band and Swanage Big Band.

The St Mary's Church Junior Choir meets at the Church on Friday evenings during term time, 5.45-6.45pm. At least once a month they are invited in addition to take part in a public performance – a sung service, concert or other event – gaining experience and confidence as performers. The choir is open to children in Year 3 and above – get in touch with David Fawcett at david.fawcett@rocketmail.com for further information.

Joe Marlow began drumming aged 10 and studies with Andy Joy. Last year he achieved Distinctions for Trinity Grade 7 Rock & Pop Drums and ABRSM Grade 5 Tuned Percussion and has enjoyed taking part in

Percussion, Jazz and Big Bands at Poole Grammar School as well as the Swanage Big Band. Now 16, he has completed his GCSEs, including in Music.

Nick Aiko Dando is 14 and earlier this year he gained distinction in Grade 8 trumpet. Nick studies with Mark Law and enjoys playing trumpet in the Town Band and the Swanage Big Band. He is also working towards Grade 8 on piano.

The Jazzknots is a jazz/funk band that was formed over lockdown mainly thanks to the open mic night held every Monday night at the Emmanuel Baptist Church. Here many musicians were able to collaborate to play and enjoy music together. Thanks to this, the group has been able to play at many places around Purbeck, including for the Swanage Jazz Festival 2022. The piece that the Jazzknots are playing is one composed by Oscar Brady who is the pianist in the band and is called *Blue Skies On a Rainy Day*.

Miro Treharne is a mezzo-soprano currently studying at Trinity Laban Conservatoire of Music and Dance. She is about to commence her second year of the Classical Vocal Studies course under the guidance of her teacher, Patricia Rozario. She has particular interest in 20th Century English song and German *Leider* and is excited to venture into the world of both French and Spanish song in the coming year. She also has a keen interest in performing other genres such as jazz and lyrical song via means of voice, percussion and clarinet.

Purbeck Youth Music is delighted that Miro is one of their Youth Ambassadors for music.

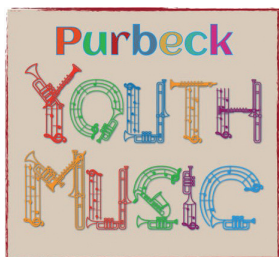

Purbeck Youth Choir is sponsored by Purbeck Arts Choir and was formed in 2014. It aims to give young singers the experience of singing choral music with a large 4-part adult choir and organ/orchestra, as well as the opportunity to sing a wide variety of music on their own, including solos. The choir sings a range of vocal music from classical to pop and music theatre and new singers are always welcome. For more information please contact Jay Buckle (bucklejm@icloud.com).

ACKNOWLEDGEMENTS

The Purbeck Arts Week (PAW) Festival celebrates art in all its various forms. It seeks to inspire and support visual and performing artists to achieve their potential, involves people from across the community and encourages everyone to participate and to enjoy a wide range of arts. Encouraging and celebrating art created locally by young people is central to this work and we are delighted to be promoting and encouraging the talents of so many young musicians from across Purbeck.

Purbeck Youth Music is a partnership between the PAW Festival, Rotary and Purbeck Instrument Loan Scheme. We aim to encourage and inspire the next generation of young people across Purbeck to take part in and enjoy making music. We can offer instruments on loan, subsidise starter lessons and support the work of Purbeck schools. We have a growing body of supporters and as a charity rely on donations. You can join us and donate at www.purbeckyouthmusic.org

The Backdrop to this evening's concert was coordinated by PAW artist Sophie Jenkins and created by students as follows:

Monet Waterlilies -
Corfe Castle Primary
Van Gogh Starry Night -
St Mary's Wareham
Kandinsky Colour Circles -
Swanage Primary School

This evening's concert is the final event in Purbeck Art Weeks 2022 and is jointly funded with Purbeck Youth Music. The concert was coordinated by Jay Buckle and we would also like to thank many other people including: Thomas Curtis, Dan Welsh, Ollie Barrow and all the staff at the Mowlem, David Pike, Spike Barnes (DSM) Jude Brady, Oscar Brady and Sam Capper (backstage) Sophie Jenkins for the Jubilee Banner, David Fawcett for accompanying and all the performers, artists and their dedicated teachers.

Thanks also to our sponsors:
